The scope of our engagement is limited to the preparation and lodgement of your income tax return. A copy of the return will only be provided for an additional fee of \$10.00 upon request.

This engagement will be conducted in accordance with the relevant standards and ethical requirements of The Institute of Chartered Accountants in Australia.

Information contained in the Income Tax Return

All income declared and deductions claimed in the tax return are based on information provided by you. The tax return includes income from all sources, and is reported in full, while receipts are available for all deductions claimed, including education. It is your responsibility that the information you provide to us for preparation and lodgement of your income tax return is true and correct.

Professional Fees and Payments

The fee for preparation and lodgement of a basic income tax return (i.e. < 3 PAYG Payment Summaries and minimal work related deductions) is \$165.00. Additional fees for work related travel deductions, investment property schedules, capital gain calculation, etc are payable.

Terms of Payment

The terms of payment are on completion of the Income Tax Return either by cash or EFTPOS. Payment by cheque will be accepted if arranged prior to appointment.

For an additional charge of \$50.00 we can deduct our fee for service directly from any tax refund. In accordance with the requirements of the Institute of Chartered Accountants in Australia (ICAA), your refund will be deposited into our trust bank account, the fees will be deducted and the remaining amounts forwarded to you in accordance with your requirements.
